

Hanoi, 4<sup>th</sup> November 2020

**Attention: Chemopharm Sdn. Bhd.**

**Subject: ASEAN Business Awards 2020 Winner Announcement**

Warmest greetings!

On behalf of the ASEAN Business Awards (ABA) 2020 Organizing Committee, it is my pleasure to congratulate and announce that **Chemopharm Sdn. Bhd.** has been awarded with the category of **Priority Integration Sectors – Healthcare** under the ABA 2020.

The applications we received from candidates all over the region for this award category were extremely overwhelming and it was very difficult for us to choose the winners. However, with the Judging Committee's strict and fair working process based on comprehensive evaluation criteria developed by Deloitte Vietnam, we have come up with the final list and **Chemopharm Sdn. Bhd.** is one of the winners of this year's Award.

This award recognizes outstanding performance amongst 12 ASEAN Economic Community Priority Integration Sectors, promotes the sectors and makes ASEAN a more prominent segment of the world economy while also encourages regional cohesiveness and global competitiveness.

As part of the award, we would like to invite one (01) representative of **Chemopharm Sdn. Bhd.** to attend the Awards Ceremony taking place on November 13, 2020 at Daewoo Hotel Hanoi, Vietnam. This will be held in adjacent to the 2020 ASEAN Business & Investment Summit and expected to have the participation of the Prime Minister of Vietnam and ASEAN countries' Ambassadors to Vietnam.

The ceremony will be live-streamed on YouTube as well in the context of travel restrictions due to COVID-19.

Please confirm your attendance to the Organizing Committee ASAP **no later than November 6, 2020** for our best preparation.

I look forward to welcoming you to the ASEAN Business Awards Ceremony.

Yours sincerely,

**Nguyen Thi Nga**  
**Chairwoman of ABA 2020**
